PRODUCT: 2-IN-1 FELT SUPPORT TRAY

PRODUCT CODE: 2IN1FST

PURPOSE: The 2-in-1 Felt Support Tray incorporates an integral Over Fascia Vent to promote air circulation. Suitable for new builds and remedial work, the 2-in-1 Felt Support Tray prevents drooping roofing felt, preventing water ponding and condensation. In turn, this limits break down of roof membrane and timber rafters.

- UV stable polypropylene – made from 100% reprocessed material
- 1000mm length and 200mm cover width
- Suitable for use with both full replacement fascia boards and capping of all sizes
- Designed to resist water ingress and ponding with an easy fit overlapping engagement
- Suitable for roofs between 15° and 70° pitch when 10mm (10000m² per metre) ventilation is required
- Nesting insects, bird and rodent resistant
- Engineered nail/screw ports, with sleeves to guide fixing into the centre of the fascia
- Satisfies all NHBC requirements
- Complies with BS5250:2002

MATERIAL: Polypropylene

COLOUR: Black

LENGTH: 1M

WIDTH: 200MM

OVERHANG: 55MM

BOX QTY: 40

PALLET QTY: 480
